MESSAGE FROM THE BOSS

When D.H. Hohimer Talks, People Listen

Merry Christmas, Happy Holidays, Happy Hanukkah, all of the wonderful sayings that fill me with joy and excitement this time of year. As we enter the **“Most Wonderful Time of the Year”**([my favorite Christmas song click](#)) I want to encourage everyone to be joyfully expecting wonderful things to transpire during the holiday season. Of recent, there has been a dark cloud of pessimism and uncertainty surrounding many of us. I want to share the Good News of Christmas Cheer that will have ALL of us celebrating Good Will to One Another!

Remember to share the “why” in our Holiday traditions, because traditions help us as individuals feel a sense of community with family, friends, business partners and society at-large as we celebrate something bigger than ourselves. All of us, long to return to the “good old days” of simply meeting folks face to face and chatting about the little things like the Bachelorette, Monday Night Football or what happened with the neighbors last weekend. It is not so much the stories, it’s the interaction we share that matters. Let all your traditions new and old this holiday season lift your spirits.

I want to thank all the people that help Hohimer Wealth Management continue to deliver great service to our wonderful clients.

Happy Holidays and Merry Christmas from Hohimer Wealth Management!
